

STARS ARE BORN EVERYDAY!

Brought to you by:

1 All About *ME*

What do I want to achieve or accomplish?

What do I want to be?

How much money do I want or need to make?

2 My Future

Career:

What careers or jobs are of interest to me?

School:

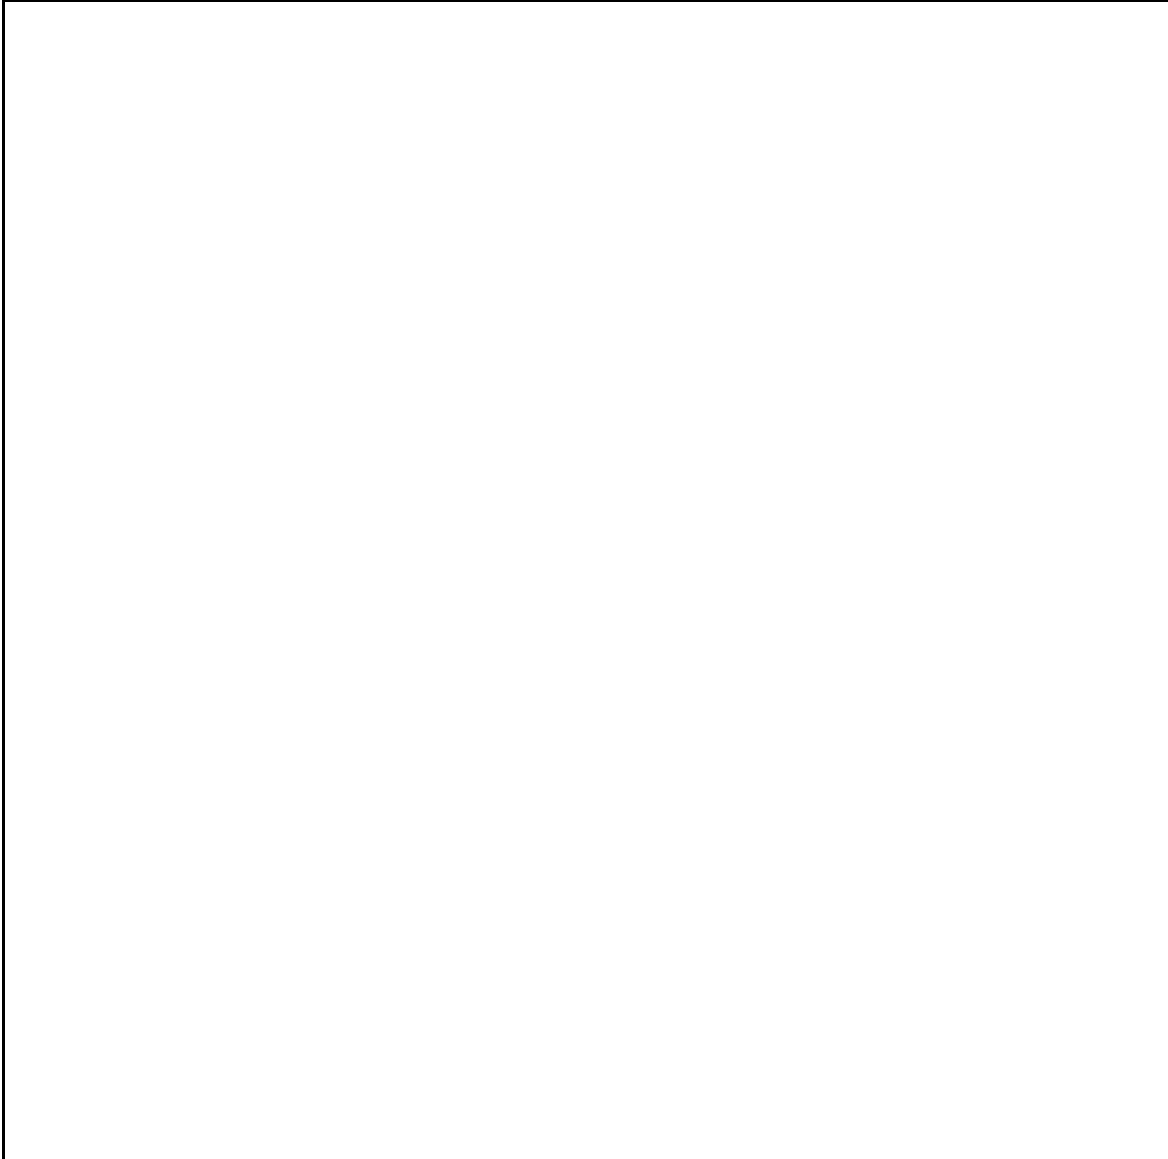

What classes do I need to take? Do I need to go to school after high school? What type of school do I need to go to? Do I need to get a license or certification?

Money / Finances:

How much money will I make starting out? What is the average or median salary in this field? How hard or easy is it to find a job in this field?

3 My Resume

What are my accomplishments? What experience do I have related to this field? What classes have I taken related to this job? What have I learned? What is it about me that would allow me to do this job well?

A large, empty rectangular box with a thin black border, intended for the user to write their resume response to the prompts above.

4 My 6 Month Plan

I will work towards my goals today! Within 6 months, ...

What do I want or need to learn about this career?

What experiences should I get to help me in this field?

What skills do I need to develop? What do I need to learn?

What goals do I have for school? Why are my grades important?

5 My Long-Term Plan

What I need to do:

Career:

College/Associate/Trade School – What type of education will I need after high school?

Career / Job – What career(s) am I interested?

Who will help me? Where can I go at school, home, or after school for help?

It takes a person with a mission to succeed.

Clarence Thomas, Second African American on Supreme Court
